To

The Honorary Secretary

Respected Sir,

I must humbly and respectfully beg to submit that the single 3rd class Railway fare paid to me under Govt Memo: No 5737-80 dt 30-11-05 / 84-05-7 has to be paid in full to the Railway authorities in as much as a sufferer like me, who requires convenience during the Journey, should necessarily travel in the 2nd class.

2. From the one months pay advanced to me, I am not only to provide myself with warm clothing; but also my family with sufficient funds till my return. In fact, it will not suffice either. Thus, I am left unhelped for the expenses of the Journey.

3 Besides, considering the distance

I am to travel and the complaint under which my Journey is contemplated, it is but necessary that I should have a servant with me - for which I have not been paid for. H. Sleeping in view all these difficulties, the Inner surgeon & Sanitary Commissioner recommended the help of another person being sent along with the sufferer and they being allowed 4 as per diem while travelling & 6as during their stay at Kasauli. and it was also sanctioned by Govt 5. The generous Govt have been pleased enough to hear the complaints of a helpless person like me and I think that they will not be so. Very unsympathetic as to not extend their charity even without providing the necessaries of the Journey i e for food.

the chief element of existence (2nd) Railway
fare for a servant, cost of food
during the journey & stay at Kasauli
without which the cup of charity
will not be full; but on the
other hand it will lead the sufferer to
more sufferings by his living unable
to provide himself with the necessa
which were not provided for by
the authority that first set him
out to relieve his sufferings.

I therefore pray that your
Lordship may be pleased to recommend
me to Govt. at least as a special
case to grant me the 3rd class
Railway fare for a servant, the
cost of feeding during the journey
and stay at Kasauli allowable
to Govt persons under the very same
Compliments. Govt. G/No 2. 11810-54
132-04-10

dated 23rd June 1905 and thus
help me in raising me up
from the hell of sufferings
else I will have to run into
debts beyond my means

For which kindness and
generosity, I shall be very thankful

I beg to remain
